INDEMNITY FORM - For use of Bouncy Castles

If you intend to use a bouncy castle in the Hall for your party, we will require you to complete this form. The reason for this is that the Village Hall Public Liability insurance does not cover use of bouncy castles .

We will require you to follow the guide lines below .

1. Make sure the business/ individual you hire your bouncy castle through has the appropriate Public Liability insurance . If the business/ individual cannot supply this you **MUST** obtain it separately at your own cost. We will require to see a copy of the appropriate insurance cover before the date of your hire.
2. All bouncy castles must only be used inside the hall and must be placed on a protective cover that will prevent the floor from being damaged. Any damage caused to the floor or any part of the hall through the installation or use of the bouncy castle will be your responsibility
3. Children must be supervised by responsible adults at all times while the castle is in use
4. The bouncy castle is restricted to use by age group (age 2 to 5;6 to 12 ; and over 12 years) Age groups must **NOT** be mixed.You should also consider general height and size difference and group accordingly.
5. Under no circumstances should the bouncy castle be used by children under 2 years of age

Ilmington Village Hall Management Committee accept no liability for any damage or injury caused from the use of a bouncy castle

Hirers are advised to familiarise themselves with the venue, relevant fire and health & safety information on site before commencement of booking.

Please complete the booking details overleaf; these will need to be approved by the village hall trustees prior to the booking being confirmed.

Completion of this form confirms acceptance of all recommendations given above.
